

HIGHER EDUCATION LEARNING SUMMIT

January 25, 2023

CPE Information

Join other professionals for a day to hear current topics in higher education. We will provide an update on cryptocurrencies and how they are impacting higher education. Learn how to collaborate with faculty to build trust and potentially gain a valuable resource. Hear from financial advisors on how to get clear answers by asking the right questions and how to leverage strategic partnerships to navigate changing markets. Our team will also provide a session on the most useful ratios used in higher education to assist you with your assessment and strategic plans.

Learning Objectives:

- Learn the latest updates on cryptocurrencies in higher education.
- Gain insight into collaborating with faculty to help build trust across campus.
- Learn how to get clear answers by asking the right questions and how to leverage strategic partnerships to navigate changing markets.
- Learn about the most useful ratios in higher education and understand the information they provide.

Prerequisites: Basic knowledge of not-for-profit or higher education

Advanced preparations: None

Program level: Update

Delivery method: Group Internet Based

CPE credits (6 hours):

- 4.5hrs - Accounting
- 1.5hrs - Specialized Knowledge
